- Gravel-o-meter (Chips)	4B	5B	5B	5A No C size chips

The Godwin Group sets the standard by which all other truck equipment manufacturers are measured. Thermoset Powder coating with thermoset Zinc primer is STANDARD equipment for Godwin, Williamsen, and Galion bodies, and Good Roads equipment. Zinc primer is standard on R/S equipment and available for an additional charge on Champion products.

Accelerated 5000 Hour Salt Spray Test with 5% Salt Solution. (Ocean water is 3%)

Powder Coated Only

Powder Coated with Zinc Primer
